

UNICITY NEIGENE PURIFYING GEL CLEANSER

We've all spent long days on our feet. Whether you're been wearing calfskin leather peep toe stilettos or steel-toed rubber industrial boots, there are few feelings more relaxing and luxurious than taking your shoes off at the end of that kind of day. There's a sensation of freedom and calm that comes with being entirely bare.

Neigene Purifying Gel Cleanser can give you that same feeling on your face. It works as a gentle cleanser to remove makeup and other

pollutants while benefiting your skin. Neigene Purifying Gel Cleanser gently and effectively washes away all impurities while leaving your skin visibly fresh and clean. It's been developed specifically for normal to oily skin, so unlike harsh soaps, it cleans and leaves your skin soft without leaving any greasy buildup behind. Purifying Gel Cleanser also gently exfoliates to further brighten and renew skin for the ultimate bare face.
